Foreword . . .

Come gather 'round people
Wherever you roam
And admit that the waters
Around you have grown
And accept it that soon
You'll be drenched to the bone.
If your time to you is worth savin',
then you better start swimmin'
or you'll sink like a stone,
For the
Times
They
Are
A-
Changin'!

Dedication

As each student prepares to graduate, he retains many memories of the four years now behind him. These memories include those of the teachers who have been especially influential in helping him fulfill a particular area of his high school life. This year emphasis is being placed upon a teacher who has offered guidance to her students both in the classroom and in varied fields of endeavor. She has instilled in the minds of her students an enthusiasm for math. Her friendly guidance and willingness to help others has marked her as an invaluable advisor to both F.T.A. and N.H.S.

With great pride the class of 1967 now wishes to honor Miss Esther Swift with the dedication of the 1967 Pioneer.

Superintendent's Message

MR. G. R. MEHL
Capital Univ., B.S. in Ed.
Westminster College, M.S. in Ed.

The ability to make or adjust to change enables man to survive in his environment. The class of 1967 will enter a world of continuous change, controversy and unrest. May I offer this advice: "Don't worry about the whole world; if you do it will overwhelm you. Worry about one wave at a time. Steer your own course. Do what you feel is right and the rest will fall in line."

May I wish for each member of the class of 1967—many years of personal satisfaction and success.

National Honor Society

Scholarship, leadership, service, and character are the principles of National Honor Society and the basis upon which new members are chosen. At the induction assembly held in February, old members bring surprised but happy students from the audience to take the honor pledge. Each year the N.H.S. awards a scholarship to one of its graduating members in addition to its other services which include averaging homeroom grades and tutoring fellow students.

The 1967 *Pioneer* has been in the making since last spring when our staff was selected. Work commenced under Editor-in-Chief Paula Hoeck, but when Paula left for France as an A.F.S.'er the editor's job fell to Sue Hojer. In October we received a letter from Bob Dylan, granting us permission to use his song "The Times They Are A-Changin' " as our theme. Since then, it's been "Deadline! Deadline! Deadline!" Now the deadlines are all met and the year is almost over. The staff has worked hard to make this *Pioneer* a treasured record of this year's memories.

To Inform—To Inspire—

Led by the advisor, Mr. DeGregory, and the co-editors, Dolores Ivanisin and Linda Defendiefer, the *Seminarian* gained a new look this year as a bigger and better paper. Through the effort and cooperation of the staff, the *Seminarian* tried to fulfill the interests of the students.

Boys' Bowling League

BOWLING LEAGUE OFFICERS: M. Cavucci, Pres.; K. Weibling, V. Pres.; T. Morgan, Sec.-Treas.; Mr. Smith, Adv.

The purpose of our Boys' Bowling League is to give a chance to any boy in the school to have an athletic relationship with his fellow male students and teachers. The school would like to, if possible, get every boy to participate in some kind of a school-sponsored athletic activity for his own help in learning good sportsmanship and how to get along with others. Our Boys' Bowling League is just another way we try to promote this wish of good fellowship.

Library Club

The Library Club consists of students who enjoy library work. The Poland High School library offers a fine selection of research material as well as reading for leisure. Under Mrs. Christian's supervision the student librarians aid students in selecting their books. The latest addition to our library was a microfilm reader. We feel this will greatly simplify periodic research work and filing. With this new addition we hope the library will become a greater place of learning.

A little bit of practically everything happened this season. There were some high points and some low ones. At various times key players were injured, but there was always someone to step in and ably fill each position. Some underclassmen gained valuable varsity experience which they will put to use in the future. Of course, for the seniors it was also a very big year and they will never forget their last year of varsity football at Poland High.

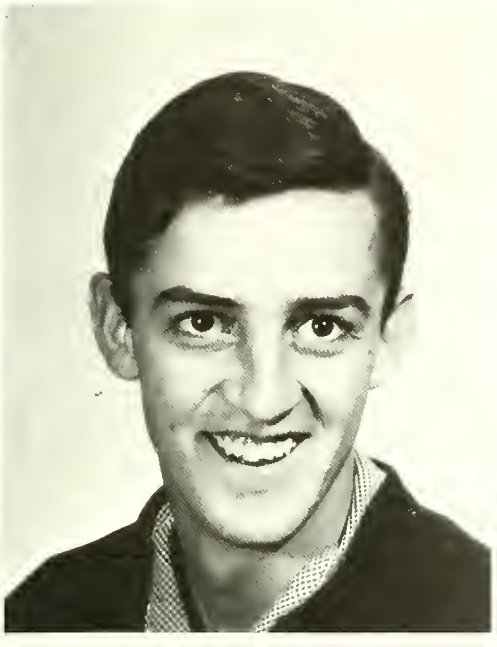
This Year, The Juniors Made Their Voices Heard . . .

AFS Makes its Mark on Poland . . .



Rod Celis Lives With Wrights, Studies With Bulldogs

HUSTLE POLAND.

Many people think that being an A.F.S. Student is a year lost because we have to make up our senior year when we get back home. I thing just the opposite is true. An A.F.S. year is the most wonderful experience that a student could have—especially here at Poland. New people, new customs, a different wa yof thinking, and a new country to see; these are the things that make this year so great.

My thanks to each one of the Poland High School students and to the community for their friendship that made me feel at home.

May each future student be as happy as I have been.

I'll miss you all. Thanks again.

A.F.S. Student from Chile

Paul Hoeck Spends Senior Year In France

Last summer we received word that our *Pioneer* Editor and President of our Student Council, Paula Hoeck, was going to spend her senior year abroad under the American Field Service Program. This year has been an exciting one for Paula. All of her clothes were damaged by water on the boat, she spent a month skiing in the Alps, and she won a beauty contest.

Sally Diehm Marches To Pretoria

In December, Sally Diehm, a member of the junior class, was notified by the American Field Service headquarters in New York that she would spend the remainder of her junior year and half of her senior year in the Union of South Africa. Sally has much to look forward to in the coming months.

Duncan Chisholm Studies In Colombia

Late in January, another member of the junior class, Duncan Chisholm, was notified that he was eligible to study abroad under the A F S program. Duncan is now making his home in Bogota, Columbia, where he received an earth-shaking welcome—an earthquake shook the city several days after his arrival.

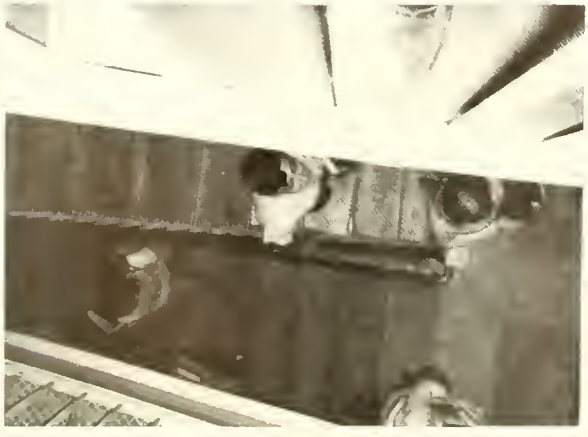
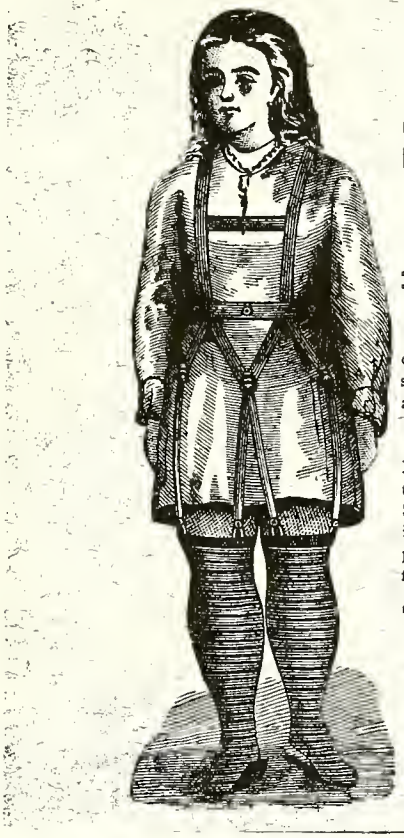
SINGER





IMPORTANT TO MOTHERS.

THE COMBINED SKIRT, DRAWERS AND STOCKING SUPPORTER FOR CHILDREN.

Manufactured under "The Stiger Patent," August 30, 1870.

AN INVENTION USED

FOR SUPPORTING CHILDREN'S UNDERCLOTHING.

This invention not only leaves the limbs free, allowing full and free circulation of the blood, but also the waist, at the same time supporting both sides of the stockings without any inconvenience to the child, and is so constructed and applied that the

STRAIN OR WEIGHT COMES ON THE SHOULDERS,

Forming a Skeleton Waist, on which the drawers and skirts can be buttoned, thereby obviating the necessity of so many waists, especially during the hot Summer weather. With the present style of stocking extending above the knee, it is impossible to keep them up properly with the old style of Garter. This Supporter not only keeps the stockings up smoothly, supports the under-clothing from the shoulders, but gives nature room for development.

THEY ARE MADE IN VARIOUS SIZES, ADJUSTABLE TO CHILDREN OF ALL AGES.

In ordering don't fail to give the age of the child.

What Are You Going to Wear to the World's Fair ?

FARGO'S

Chicago Made

$2.50 Shoes.

Fargo's $2.50 Ladies' Button and Lace.
Fargo's $2.50 Calf Shoes for Gentlemen.
Fargo's $2.50 Ladies' Tan Blucher.

Come to the Columbian Exposition wearing **Fargo's Shoes** and see **Fargo's Shoes** made there in the Shoe and Leather Building. The Exposition authorities have asked us to make our goods there so the people can see the process. Our Shoes can be distinguished by Pink tags and are made on Pink lasts. Come in our Pavilion and receive a *Calf Head Charm* made from pure Aluminum. Your dealer will give you a ticket entitling you to one of these pretty Souvenirs.

But most of all be sure to wear a pair of the **Fargo Shoes**. *None genuine without our stamp on bottom.* Ask your dealer for them. If he does not keep them **send to us** for the **Size** and **Style you want**, and a pair will be sent you, post paid, on receipt of price. If you will try a pair of our shoes and if for any reason they are not satisfactory, you may return them and we will refund your money.

The above cut represents one style of the **Fargo $2.50 Ladies' Boot**. It has a Black Cloth Top and a Patent Leather Tip and is made on a narrow toe low heel last. It is a very comfortable and stylish shoe. If you prefer an all Dongola Shoe or one on a square toe or a Common Sense or Opera Last we have them in C, D, E and EE widths.

Ask for **Fargo's $2.50 Ladies' Tan** Lace Blucher. It is a **most stylish shoe** and just the thing for wear at the World's Fair. **Fargo's $2.50 Calf Shoe** for Men has been brought to such a state of perfection during the last years, where an inexperienced person can get absolutely equal in value to much higher priced shoes. You run no risk in trying a pair as we take all the chances. Dealers will furnish you with envelopes addressed to our care if you would like to use our offices at downtown headquarters during the Exposition season.

☞ Look for our famous "Calf Head Trade Mark" in the Shoe and Leather Building at the World's Fair. A full descriptive list will be mailed on application. Our beautiful **Columbian Catalogue** is ready for dealers.

We're Proud, Too

Parents and families aren't the only ones who are proud of this year's graduating class. We, too, have several reasons to congratulate the seniors and extend our sincere best wishes.

To begin with, our companies provide materials which are used both directly and indirectly in school construction. In addition, our companies pay industrial taxes and our employees pay real estate taxes which are used to help run the schools.

As good citizens, we are pleased to support this community . . . which in turn has supported us by using our industrial and agricultural products for so many years.
